**Please read the following information BEFORE
you fill out the interest form.**

Roanoke County Public Library (RCPL) is initiating a peer tutoring program in coordination with the honor societies and Beta Clubs at local high schools. By providing tutoring in the library:

- Tutors and students will have a safe environment to work, with few distractions.
- All tutoring sessions will be held in the Teen Center of the South County Library and the Teen Coordinator (Sarah Vaughan) and/or other staff will be available during most tutoring sessions.
- Student sessions will last one half hour or hour, depending on demand.
- Tutors and students will have regularly scheduled hours
- Communications between tutors, students, and parents will be limited to sessions in the library.
- Tutors and students are not to give out personal contact information.

Ultimately, if this program proves to be successful, we are hoping to expand the program in the fall with workshops in particular subject areas: science fair assistance, proof-reading, instruction using teaching aids, etc.

All questions may be directed to Sarah Vaughan (Teen Coordinator for RCPL): svaughan@roanokecountyva.gov or (540)-777-8789
